Token Specs

Token Name	Ticker Symbol	Total Supply
LIQUI Token	\$LIQUI	550,000,000

Network	Standard
MegaETH	ERC-20

Token Utility

Trading Fee Discounts

Users receive reduced trading fees when paying in \$LIQUI.

Launchpad Access

Required to participate in community rounds and strategic launches.

Premium AI Tools

Unlock access to advanced AI trading agents and protocol features.

Staking

Stake \$LIQUI to earn protocol rewards and governance rights.

AI Interaction Layer

Token required to trigger or authorize AI agent functions and decisions.

Governance Roles

\$LIQUI holders participate in the protocol's evolution through decentralized on-chain governance:

Proposal Voting

Vote on upgrades, economic parameters, and strategic direction.

Treasury Management

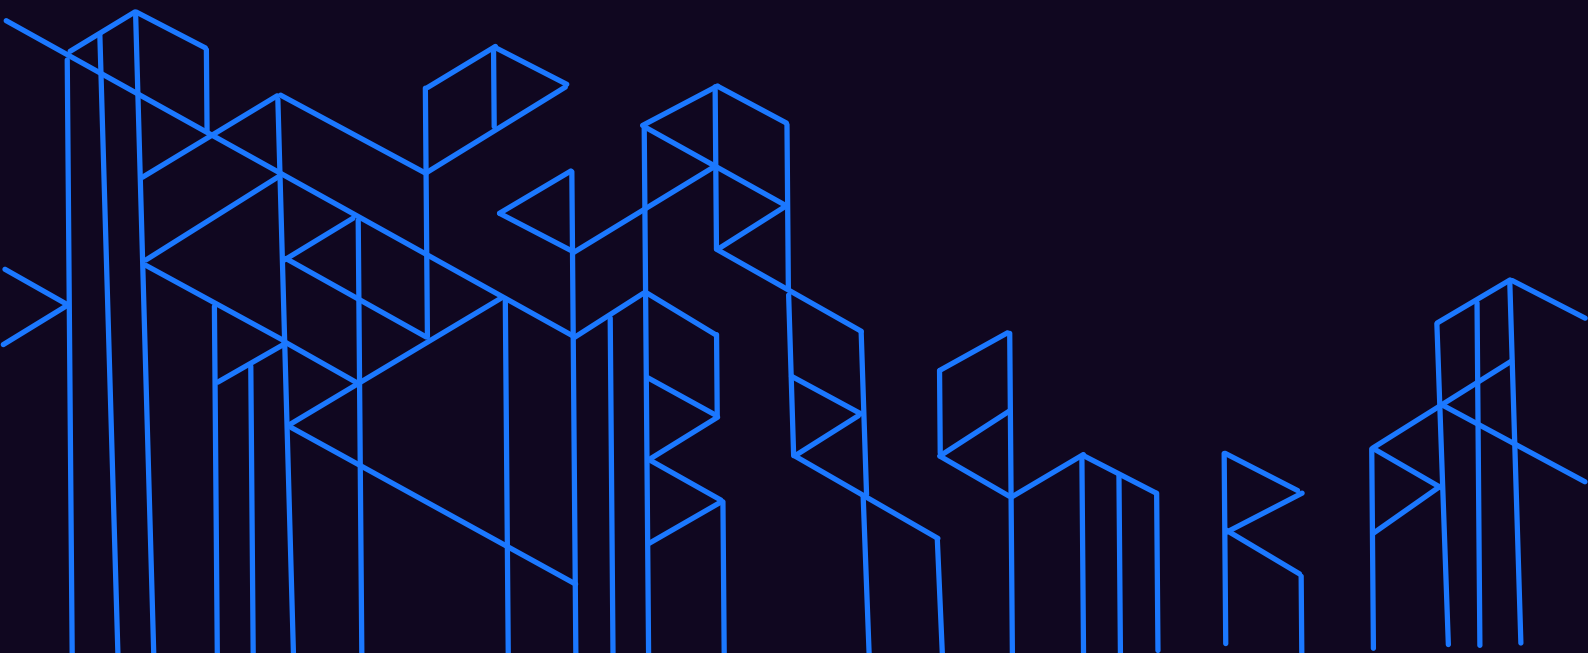

Direct protocol funds and reserve usage.

Parameter Adjustments

Modify settings such as fees, leverage, or AI logic.

Launchpad Vetting

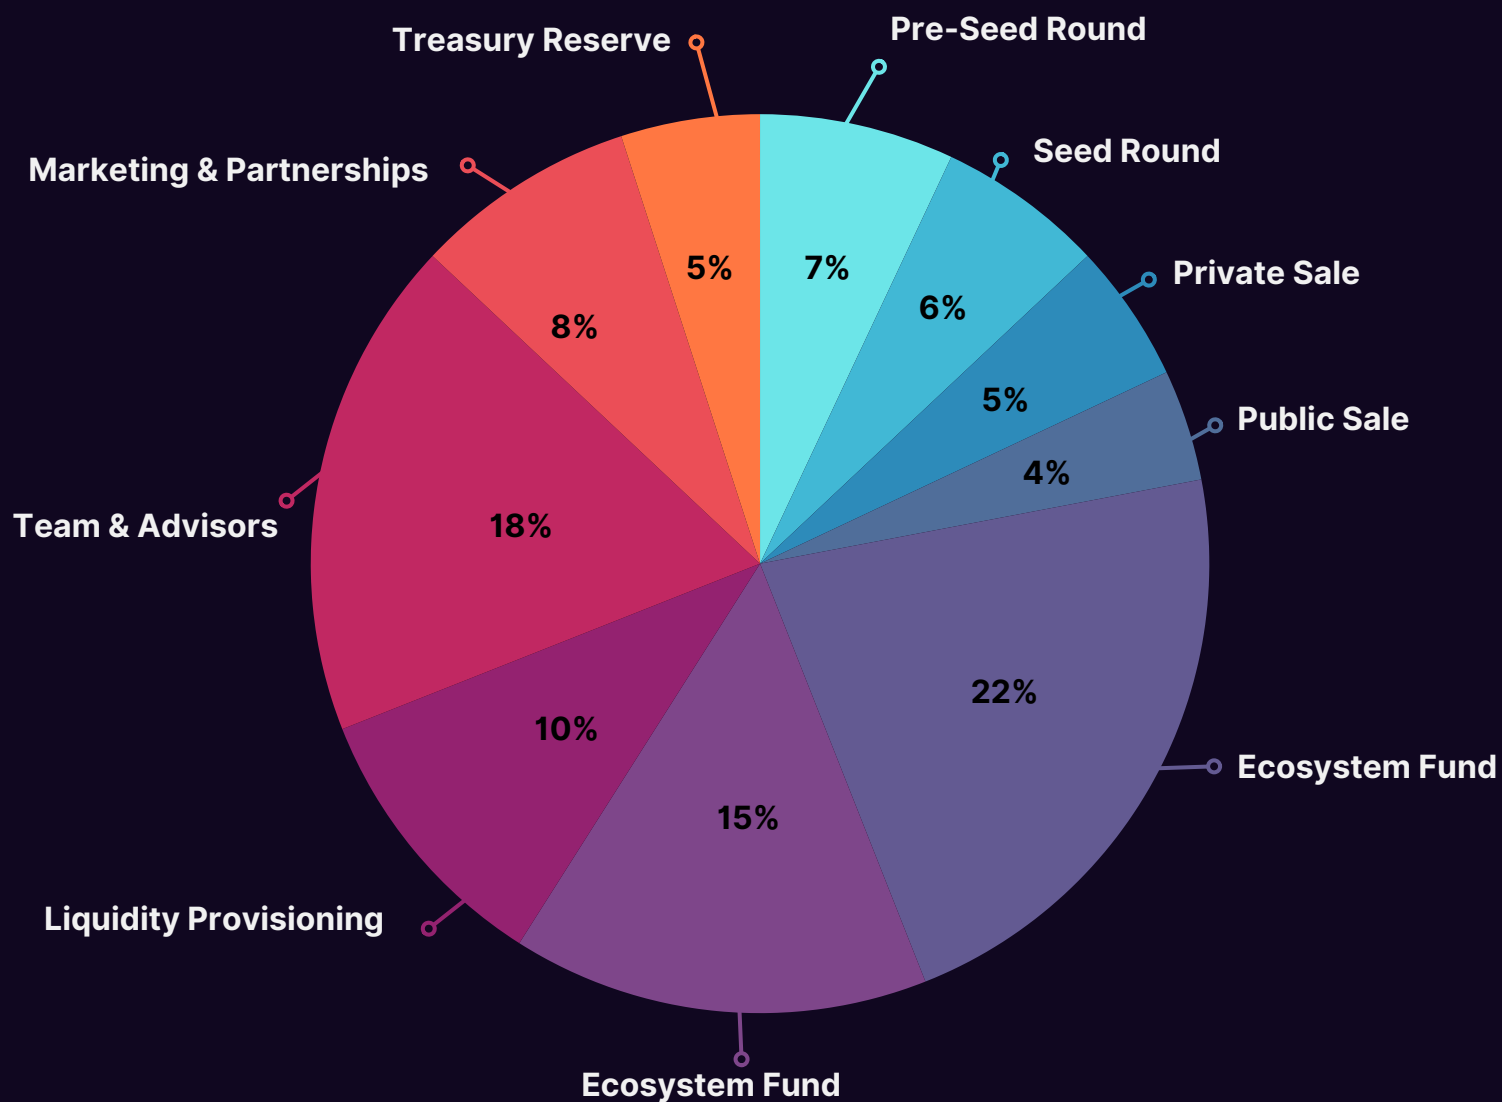

Participate in ADMA-based evaluation of Launchpad candidates.
